

AUSTRALIAN CHURCH LIBRARY ASSOCIATION

DESIGN of LOGO

Notes

The elements are:

- * a map of Australia
- * a cross
- * an open book

The map of Australia in this logo represents the ministries of church libraries spreading throughout Australia.

The cross represents the church. The church library is part of the church's ministry to the people and for the people.

An open book symbolises the library with its resources and its helpers, open and willing to be of assistance.
